

Beneficiaries of Ohio SGO

A simple guide to who benefits when donations support certified Scholarship Granting Organizations in Ohio

1 Primary beneficiaries

Students

Eligible K–12 students may receive scholarship support.

Families

Families may get help affording educational opportunities.

Low-income households

Ohio SGOs prioritize scholarships for low-income students.

2 How the benefit flows

Taxpayer donation

Certified Ohio SGO

Scholarship awarded

Student receives educational support

Donations help turn private giving into student scholarships.

3 What students and families may gain

More access

Scholarships can help students access participating schools.

Financial relief

Families may receive help with education costs.

More opportunity

Students may have access to a school that better fits their needs.

Support for learning

Scholarship support can strengthen educational pathways.

4 Broader community impact

Encourages charitable giving

Supports scholarship-focused nonprofits

Strengthens educational opportunity in Ohio communities

5 Important note

- SGOs are certified by the Ohio Attorney General.
- Scholarships are intended to help K–12 students, with priority given to low-income students.

Simple takeaway

Ohio SGO donations help students, support families, and expand educational opportunity.
